

9 December 2008

To All VW Challengers

I would like to take this opportunity to thank all of you involved in the Challenge for making it most definitely one of the biggest and best racing series in Motorsport in 2008.

Motorsport fans have been treated to a feast of fast and close racing, with excitement around every corner. The number of accolades we received as a Series attests to the level of competition that was of the order of the day.

The number of new lap records and fastest laps further demonstrates the development of the series, your skills and experience. It certainly has been a successful year without any major incidents, with the exception of a few cars ending up on the tin tops.

Special Congratulations to our Class Champions;

Carlos Nobre Overall and Class B Champion
Jason Finney Class A Champion
Jakes Jacobs Class P Champion
Elna Croeser Class C Champion

Congratulations you have set a new benchmark for the rest of the field, and whilst we all know the racing to be competitive it needs to be fun. I like to believe;

You've got to be closer to the edge than ever to win. That means sometimes you go over the edge.

I would also like to thank the Club Committee members for their support and devotion; I think we have met most of our objectives for the growth of the series, especially with ensuring that our rules are intact, evolved and the integrity of the system beyond approach.

May I wish every one of you a very Festive Season and a Great New Year for all of you and everyone dear to you.

Best Regards

Peet Visagie
Chairman
Goldwagen VW Challenge
