30. PRIZE GIVING AND AWARDS

30.1 Prize Giving:

30.1.1 The prize giving will be held in the Killarney Club House, commencing 1 hour after racing finishes. All competitors are requested to make every effort to attend the prize giving once the results of the last race of the day are final. Refreshments will be available to purchase in advance of the start of prize giving in the designated area where the prize giving will be held.

30.1.2 Awards not collected at the prize giving will be forfeited (refer GCR 280) at the discretion of the promoter. Alternative collection by the competitor from the WPMC office can be made subject to arrangements being made with the race secretary.

30.1.3 All awards shall be given to the first nominated driver unless the entrant claims the awards, in writing, upon entering the event

30.2 Awards:

30.2.1 Awards to first, second and third places overall by class will be made. Should there be only five finishers, first and second places will receive trophies, three or fewer finishers in any category/class an award will only be made to the competitor first overall. Award allocations will be calculated on the number of confirmed and paid entries received at the time that acceptance of entries closes on 2nd May 2011 or at the later discretion of the promoters and organisers. Competitors are therefore urged to enter early to avoid the disappointment of not receiving an award as the result of a late entry.

31. POSTPONEMENT, ABANDONMENT OR CANCELLATION

31.1 In terms of GCR 244 the Promoters and/or Organisers reserve the right to postpone, abandon or cancel the meeting or any part thereof. The event will not be postponed, abandoned or cancelled without the consent of the Stewards of the meeting.

31.2 In the event of postponement, abandonment or cancellation the entrant/competitor has no right to claim against the Promoters and/or Organisers in respect of any loss or damage that he may incur, other than as specified in GCR 244.
